JUNE NEWSLETTER

I will start with the Becksides Barge Festival, which although not being blessed with the best of the weather proved again to be successful. We are very grateful to the large numbers of vessels that attended for the weekend and which helped make the event a great attraction. Unfortunately for one reason or another we were let down by a considerable number of different stalls and attractions that we were told would attend but failed to come. A huge thank you to everyone involved in the organisation of this event and to everyone who came along to help - without you this would not have gone ahead.
